The Kala Point community is a common-interest residential homeowners association (HOA). By purchasing or building within Kala Point homeowners agree to follow the HOA's governing documents, which include Conditions, Covenants and Restrictions of Record (CC&Rs), Rules and Regulations, By-Laws and detailed Administrative Policies and Procedures (APPs). APPs are board-enacted rules. The protective umbrella of these governing documents works in the best interest of all homeowners ensuring higher standards of neighborhood appearance and enhancing the collective value of the homes.
